### WORK EXPERIENCE

---

08/2014 - 12/2021      **Housekeeping Operative**, LDO & ABM UK - London, United Kingdom

- I worked for over 7 years at London Designer Outlet (LDO) retail shopping center Mall in Wembley, London, UK. My duties were to clean and promote LDO's reputation for being the best shopping center in London through my professionalism and a great quality of service.
- Experience in a customer-facing role and work in a fast-paced working environment and remain calm under pressure. Comfortable with change and ability to embrace new ways of working.
- Follow group and company policies and procedures at all times. Notify a Line Manager immediately of any unusual occurrence, breach of security, regulation, or emergency situations.
- Capable of managing change quickly and efficiently whilst maintaining effective quality of service.
- Build relationships and loyalty with guests, colleagues, and brand partners always, with an ability to anticipate their needs.
- Always be courteous and show attentiveness towards clients, customers, visitors, tourist, tenants, and other employees of the LDO shopping center.
- Received training and elevated my skills. For example I've got the scissors lift operator qualifications. Received the First Aid Training as well. Special trainings for working with special machinery, such as Cardboard Bailers, Driving Industrial Floor Scrubber Machinery, Jet Wash in a retail public space. Plumbing and Drain Maintenance training. High Rise Window cleaning training.

### HOBBY

---

When I don't work or I don't study new things I am passionate about video games and I love cycling and riding my Honda Motorcycle. And I love long walks in parks when I want to connect back with nature.

### EDUCATION

---

09/2012      **Graduated High School**, Alexandru Ioan Cuza - Iasi, Romania

- Specialization of this school was Mathematics and Computer Science.
- It was a 4 year formal education (from 2008 to 2012).
